27ECHO Practitioner Certification: Coaching Edition

The 27 ECHO Practitioner Certification goes one step beyond a “typical” psychometric tool certification.

27ECHO
Practitioner
Certification

The “coaching edition” of the certification gives HR professionals the data to clearly see and give feedback about a leader’s coaching style.

Enables you to show a person's natural coaching style, based on their personality

Lets you show them the strengths of that style and its blind spots

Turns individual results into a group picture, using a simple group report template
